

What MITCHELL Says

I want the people who read this paper to know that I sure have the best eating candy in Paris.

The chocolates I sell you for 40 cents per pound cannot be any better.

If you pay 60 or 80 cents you are paying for the fancy packing, of course I have candy we sell for 60 cents per pound and it is strictly fancy and fine, but I want to have every lover of good candy to try my 40 cent creams, always strictly fresh.

Don't forget to send me your orders for the only genuine Blue Lick Water. I am the wholesale agent for the Springs Co. and can furnish it fresh at all times.

Yours truly,

C. B. MITCHELL.

There's no mystery in good paint making. It's only "cheap" and inferior paint that surrounds itself with secrecy and mystery.

THE SHERWIN-WILLIAMS PAINT

is not a "patent" or "chemical" paint. There's no secret or mystery about it. It's a pure lead, pure zinc, and pure linseed oil paint. It's better than other paints made from the same materials, because the methods and manufacturing facilities of its makers are better—not because they have any patent or secret scheme.

Domestic Troubles.

It is exceptional to find a family where there are no domestic ruptures occasionally, but these can be lessened by having Dr. King's New Life Pills around. Much trouble they save by their great work in Stomach and Liver troubles. They not only relieve you, but cure, 25c, at Oberdorfer's drug store.

DEMOCRATIC TICKET.

FOR PRESIDENT,
ALTON B. PARKER.

FOR VICE-PRESIDENT,
HENRY G. DAVIS.

FOR CONGRESS—
HON. SOUTH TRIMBLE,
of Franklin County.

Parker and Davis.

The nomination of Parker and Davis at the St. Louis Convention means that we are sure to have a Democratic administration of affairs at Washington. There could not have been a stronger ticket selected. Judge Parker is in no sense of the word a spectacular or magnetic candidate. He made no personal effort to secure the nomination, he had said nothing to concentrate the attention of the party upon, he had performed no act to cause him to secure the nomination he had performed no act to cause him to stand out above hundreds of his fellows. He had merely done his duty to himself, to his family, his state, his country without ostentation and without wavering.

He has been chosen as the National standard bearer for what he is, not for what he claims to be. The demand for his nomination came not from the politicians, but from the rank and file of Democrats in the South, the East, the North and the Central West. He is the deliberate, thoughtful and united choice of his party, a fit representative of its best teachings and a worthy inheritor of the mantle of its great leaders.

His running mate, Senator Henry G. Davis, of West Virginia, is indeed a grand old man. No better man could have been selected for the second place on the ticket. He is a trained and able man-of-affairs, who might readily and worthily fill first place.

It is a good ticket. It is a strong ticket. It is a winning ticket. It is a ticket that ought to be acceptable to every intelligent and loyal Democrat in the country.

A Good Conductor.

Passengers on the Maysville train Friday evening, due at Maysville at 8:15 p. m., are loud in their praise of conductor James Dunn. When about fifteen miles from Maysville a loose telegraph wire caught and tore the headlight off the engine. The darkness was intense and where the train was running the tracks were submerged for several miles by the cloudburst in that vicinity. Conductor Dunn took his lantern and on foot piloted the engineer, who ran the train over the three-mile stretch of track through four inches of water. Luckily the earth had not washed out from under the ties, else there would have been a catastrophe. The train arrived at Maysville several hours late.

LIVE STOCK, CROP, ETC.

—A B. Bonta, of Mercer, has 100 acres of wheat that will average 35 bushels to the acre.

—J. T. Turley & Co., of Headquarters, sold 154 head of lambs in Cincinnati Tuesday, at 7½ cents; average 85 pounds.

—In several counties of the State the farmers have organized and passed resolutions to hold their wheat until it is worth \$1 per bushel.

—Dan B. Mitchell has sold his farm near Carlisle to H. N. Rankin for \$8,000, taking in part payment Mr. Rankin's town house in Carlisle.

—Woodford, Gay & Co., of Mt. Sterling, sold 450 sloop fed cattle, average 1,100 pounds to L. Joseph—400 at \$4.40, and 50 at \$4.10. The sale amounted to \$22,794.

—Estimates based on the acreage of winter wheat in Kansas indicate that the average yield in that state this year will be about 16 bushels per acre. Secretary F. D. Coburn of the State Board of Agriculture has estimated the total yield at 88,431,249 bushels.

—The run of Kentucky spring lambs on the Chicago market is expected to last until August. Quality is improving, but there is still some deficiency compared with last year. Exporters have been doing little, being unable to get the kind they want. A good feeder and stock ewe demand is looked for.

SECOND ANNUAL REUNION.—The second annual reunion of Morgan's regiment will be held at Park's Hill Camp Ground on August 17 to 20, and every preparation for the "Old Boys" to have a grand time is being made. Capt. H. M. Taylor and G. R. Keller, of Carlisle, have the arrangements in charge. Several Southern soldiers will be present and make addresses, as will also Col. W. C. P. Breckinridge, of Lexington.
